

## CLIENT CRITERIA

Proclaim Justice is an advocacy organization dedicated to winning the freedom of those who have been wrongfully convicted of a crime.

We do assist:

- Those who are currently in prison with sentences of death or 15+ years.
- Those who had absolutely no involvement in the crime for which they were convicted.
- Both DNA and non-DNA cases.

We do NOT assist:

- Self-defense, accidental death, or parties to crime cases.
- Misdemeanor cases.

If you fit the criteria above, you may mail us a letter explaining your situation. Each letter should include the following information:

1. An introduction of who you are and a brief description of the crime for which you were convicted.
2. A brief summary of why you were arrested and brought to trial.
3. An honest and comprehensive summary of the evidence used against you. You do not need to take pages upon pages to do this, but please hit the major highlights.
4. A brief summary of evidence that points to your innocence. Again, the major highlights.

**DO NOT SEND ANY OTHER MATERIALS AT THIS TIME. WE WILL NOT ACCEPT THEM.**

Once we receive your complete packet, we will review it and correspond with you as quickly as possible. Please understand that we are a small organization so it will take some time to receive a reply from us. We will either let you know we cannot take your case at this time, cannot take it at all, or will send a longer more detailed questionnaire for you to complete.
